

Holiday Crossword for Kids No 3

(not to scale)

Bird-spotting

Half the solutions can be found with the word clues shown below, and their first letters are given. The other solutions are all British birds shown in the photographs. Only the names of the species of birds, not their specific names are required. For example, if there was an image of say a 'greenfinch' the solution would be 'finch'. These bird solutions need to be entered in the grid where they will fit.

It's best to solve some of the word clues first.
